Unnamed Group	15

The diagram illustrates a sequence of 100 items, represented by black and blue squares. The sequence is divided into four rows. The first row has 50 black squares followed by 50 blue squares. The second row has 50 black squares followed by 50 blue squares. The third row has 50 black squares followed by 50 blue squares. The fourth row has 50 black squares followed by 50 blue squares. A 'Match Group' label is placed between the second and third rows, pointing to a specific blue square in the third row.

A horizontal bar chart showing the distribution of responses across eight categories. The categories are represented by colored squares: Match Group (black), Advocating Against Romance Scammers (blue), and others (grey).

Category	Count
Match Group	10
Advocating Against Romance Scammers	5
Other Category 1	10
Other Category 2	10
Other Category 3	10
Other Category 4	10
Other Category 5	10
Other Category 6	10
